About NFED

NFED is a unique organization established in pursuance to create socio-economic sustenance through entrepreneurship development. It serves under a global perspective to bring in prosperity by and large to foster entrepreneurial progression amongst all communities in general and women in particular across the nation. NFED strongly believes that entrepreneurship is the sheer practice for developing nation like India. NFED believes that Entrepreneurship Development is possible with a medium of Enterprising Awareness Creation (EAC) and Entrepreneurship Opportunity Guidance (EOG). These two aspects only identify and shape the personality with adequate skill acquisition, which are pre-requisite for fostering the enterprising culture at large. NFED's long stint in upbringing entrepreneurship development on these aforementioned avenues has been quite effective through its unique skill acquisition methods and research-turn practices. NFED aims to create and promulgate enterprising culture and facilitate "Job Creators than Job Seekers". In order to accomplish this mission NFED recognizes entrepreneurs as the real socio-economic icons and felicitate them through its national award endorsement since 2014.

National Entrepreneurs' Day Awards

Entrepreneurs are the ones who play a vital role in bringing a radical change in the society of any nation in terms of economic development. They see to the opportunities and engage themselves in risk taking across stormy challenges to achieve a different possible outcome that benefit the society at large and bring in socio-economic sustenance. The entrepreneurs are indispensable to foster industrial innovation, employment generation and economic growth to achieve the holistic socio-economic growth. Despite, entrepreneurs' economic development activities through services, innovations and phenomenal contributions towards nation building, most of them are not highlighted and their strenuous efforts towards nation building are not recognized. NFED intends to recognize the exceptional talents of entrepreneurs under various award categories (Outstanding / Senior / Young) in accordance with their significant contribution to socio-economic progression. The entrepreneurs (including social entrepreneurs) from various domains are encouraged to apply to this coveted award. The 7th National Entrepreneurs' Day Award 2020 powered by NFED is a unique national recognition for entrepreneurs to expand their enterprising potential and it is in deed a splendid motivation for many established and budding entrepreneurs aspiring to be invincible in their entrepreneurial endeavours to facilitate India to prosper as an enterprising nation across the globe.
